

# Bay Visions 2021

## Organizations Working to Protect the Bay and its Watershed

### Inspired to take action? Here's how!

#### **Save the Bay**

<https://savesfbay.org/>

*We protect and restore San Francisco Bay for people and wildlife, uniting the Bay Area to create a clean and healthy Bay.*

#### **Blue Frontier**

<https://bluefront.org/>

*A national leader in providing resources and opportunities to bring citizens who care about the health of our coasts and ocean into the decision making process.*

#### **California Native Garden Foundation**

<https://cngf.org/>

*CNGF was established with the mission to inform and educate the public, particularly youth, about gardening with native plants.*

#### **California Watershed Network**

[www.watershednetwork.org](http://www.watershednetwork.org)

*To help people protect and restore the natural environments of California watersheds while ensuring healthy and sustainable communities.*

#### **Committee for Green Foothills**

<https://www.greenfoothills.org/>

*To protect the open spaces, farmlands, and natural resources of San Mateo and Santa Clara Counties for the benefit of all through advocacy, education, and grassroots action.*

#### **Elkhorn Slough Foundation**

<https://www.elkhornslough.org/tidal-wetland-program/>

*The Mission of the Elkhorn Slough National Estuarine Research Reserve is to ensure the perpetual health of ecosystems in Elkhorn Slough and the surrounding watershed through preservation, restoration, research, information exchange and education with particular emphasis on the Research Reserve.*

**Environmental Action Committee**

[www.eacmarin.org](http://www.eacmarin.org)

*Join EAC to protect the land, water, and biodiversity you love in West Marin!*

**Environmental Forum of Marin**

<https://www.marinefm.org/>

*Promotes a Sustainable World through Environmental Education. Through educating and training effective global citizens, EFM seeks to develop inclusive communication and multicultural skills.*

**Environmental Volunteers**

<https://www.evols.org/>

*We train volunteers (like you!) to lead hands-on science and nature programs in schools, community organizations, and at the EcoCenter in the Palo Alto Baylands Nature Preserve.*

**Estuary & Ocean Science Center**

<https://eoscenter.sfsu.edu/>

*We connect science, society and the sea through outstanding interdisciplinary research, education and outreach programs to train the next generation of scientists and sustain healthy and resilient coastal ecosystems.*

**Grassroots Ecology**

<https://www.grassrootsecology.org/volunteer>

*Grassroots Ecology leverages the power of community volunteers to create healthy ecosystems across Silicon Valley, from the foothills to San Francisco Bay.*

**Marin Audubon Society**

[www.marinaudubon.org](http://www.marinaudubon.org)

*Wildlife protection and wetland restoration. Learn more about birds or help us restore wetlands habitat.*

**OFA Marin**

[www.ofamarin.org](http://www.ofamarin.org)

*Help us get the word out to multiple constituencies on climate as an election issue.*

**One Shoreline**

<https://oneshoreline.org/>

*OneShoreline works across jurisdictional boundaries to plan and build solutions to the climate change impacts of sea level rise, flooding, and coastal erosion, and enhance the environment and recreational opportunities within communities throughout San Mateo county.*

**Peninsula Open Space Trust**

<https://openspacetrust.org/>

*POST is creating a network of protected lands where people and nature connect and thrive.*

**Point Molate Alliance**

<https://ptmolatealliance.org/>

*Working on many fronts – legal, political, social and educational – to keep these beautiful public lands in public hands.*

**Point Reyes National Seashore Association**

[www.ptreyes.org](http://www.ptreyes.org)

*Environmental education and conservation. Take a class, volunteer to restore critical habitats, help inspire youth to be Earth stewards!*

**San Francisco Bay National Estuarine Research Reserve**

<http://www.sfbaynerr.org/>

*The San Francisco Bay National Estuarine Research Reserve's mission is to improve understanding and stewardship of the estuary, with a broader relevance to the ecosystems beyond the Golden Gate*

**San Francisco Estuary Institute**

<https://www.sfei.org/>

*Our mission is to provide scientific support and tools for decision-making and communication through collaborative efforts.*

**San Francisco Estuary Partnership**

<https://www.sfestuary.org/>

*A collaboration of local, state, and federal agencies, NGOs, academia and business leaders working to protect and restore the San Francisco Bay-Delta Estuary*

**Shore Up Marin City**

[www.shoreupmarin.org](http://www.shoreupmarin.org)

*Multi-racial environmental coalition advocating for healthy air, soil, water, and emergency protections on behalf of those most at risk. Volunteer to support video production, write articles, and help us build a larger network!*

**TOGETHER Bay Area**

<https://togetherbayarea.org/>

*TOGETHER Bay Area is a regional coalition of nonprofits, public agencies, and Indigenous Tribes working together for climate resilient lands – including lands that are natural, working, rural, and urban.*
